Parents have the choice of paying each term or annually. Tuition and fees for current students are due and payable before the beginning of each term. Tuition and fees for Term 1 starting August are due on 20 July 2022 with a security deposit due on 02 June 2022. Tuition and fees for Term 2 starting January are due on 2 December 2022. Tuition and fees for Term 3 starting April are due on 17 March 2023.

All fees for new students are due at the time of enrollment within 2 weeks of acceptance of a place. Students may not start school until full payment has been made. Registration for the academic year 2022-2023 completed within March 2022 will be charged in 2 installments. The first installment will be the payment of the registration fee and the development fund/fee. The second installment, invoiced in May 2022, will be the tuition fee and other fees.

Inclusions and Exclusions

- EY1 to Grade 10 tuition fees include all materials, workbooks, textbooks, most class field trips, and AISAA coaching and clubs.
- Grade 11 and Grade 12 tuition fees include IB Exam fees but exclude textbooks. Grade 11 students need to purchase books for the subjects they take. New books per student cost approximately 20,000-45,000 Baht. Some courses, such as Environmental Systems and Societies, carry extra costs for overnight field trips. Online DP courses (optional) must be paid for by parents.
- All tuition fees do not cover the cost of afterschool activities, uniforms, and residential trips.

Student Group Accidental Insurance

KIS provides Student Group Accidental Insurance Policy that applies to activities authorized by and under the supervision of school authorities during the school year. Activities also include school official one-day expeditions, AISAA games/tournaments and military reserve training. The accidental coverage is 65,000 baht for medical treatment per one accident and 150,000 baht for loss of life, dismemberment, loss of sight or permanent disability.

The school's liability and insurance coverage are limited to the above sum. Whilst the school considers this level of cover reasonable and acceptable, it is highly recommended that each student also has his/her own medical policy appropriate to their circumstances. The details of Student Group Accidental Insurance Agreement can be obtained from the School Services department.
